

## OUR LEARN TO SKATE PROGRAM

ICEWORLD's 'Skate School' Program has been designed as a self paced learn to skate program for children from the age of 3 years through to adults in their senior years! Progression through each class level is by learning specific skating elements before being assessed by one of our coaches on each element. There is no pressure in the assessment process. You are encouraged to perform each skating element correctly to help you become a better skater at your own pace.

**Term cost: \$120 (That's only \$15 per class!)**

**Includes:**

- \* Rink Entry
- \* Skate Hire
- \* 1 x 30min group lesson (8 weeks)

**Want to do more than one class per term?**

Simply book online for an extra class (additional class cost of \$120 per term)
